

Balloonz is a national wholesaler and distributor of balloons and related products. We specialise in providing support for customers within the retail sector.

Balloonz was originally founded in the 1990's and the current owners De' Wey Distribution Ltd have been running the business since 2001.

De' Wey Distribution Ltd was founded by Mr Sidney Dewey ACMA FFA in 2001. Unfortunately he passed away in 2005 and the business is now run by his wife and son, Mrs Cynthia Dewey and Mr Johnathon Dewey.

In 2009 our Operations Director, Mr Johnathon Dewey was given an award for being entered into the Who's Who of Britain's Business Elite.

Balloonz prides itself on its charitable works, whether it is voluntary work or monetary donations.

Balloonz is also committed to looking after its environment. We have been actively reducing our waste and where possible recycling. We are currently looking at offsetting our emissions with the view in future to become carbon neutral.
