Dear Karen

Thank you so much for your donation of £284.31. We are thrilled that Balloonz has chosen to support the Noah's Ark Appeal.

Your support will help us to complete the Children's Hospital for Wales and enable it to become one of the very best in the World. To achieve this in our Phase Two campaign, we'll be fundraising for more than just bricks and mortar, as these alone do not make a world-class children's hospital.

One of the main goals of our campaign is to replace the equipment in the new critical care unit that will combine intensive and high dependency care. This specialist equipment is expensive but it is vital that this crucial unit has the most advanced technology available.

Keep an eye out for other exciting campaign news and developments on our website: www.noahs-ark-appeal.org. Here you can also find further information about the Appeal and its work.

On behalf of everyone at The Noah's Ark Appeal, thank you for helping us to ensure that the Children's Hospital for Wales will be a world-class facility, providing the very best of care for generations of sick children in Wales.

Yours sincerely
